REGISTRATION INFORMATION

Please fill out the attached registration form and return it to Kristi Heming. Fees are \$40 per person for symposium registration and \$60 per person for the banquet. Students are welcome to attend the Symposium and lunches free of charge. The fees can be paid in advance or at registration by check made out to UW-Madison Chemistry Department. We would like to know whether you plan to attend and the size of your party by May 1, 2009.

We hope you can spend the weekend visiting Madison and catching up with old friends and colleagues. Please note that the Dahl Symposium will be followed by the 17th Bruker Users Meeting that will take place in Madison during May 31-June 1. Visit <http://xray.chem.wisc.edu/SHARE1/www/lab.html> for more details. We look forward to seeing you in Madison!

Sincerely,

Ilia Guzei and Kristi Heming, Organizers

P.S. If you can't make it to the symposium, we know that Larry would greatly appreciate hearing from you by e-mail (dahl@chem.wisc.edu) or post. Although having formally retired last September, he voluntarily is teaching a general chemistry course this Fall Semester, and will co-teach a chemical crystallography course this coming Spring Semester. Larry hopes (health permitting) to continue research on nanosized metal clusters for several years.
